

PATRIARCH AND MLG WORKSHOP

Protect International is pleased to present 2-Day PATRIARCH and MLG Workshop. The workshop is taking place between 14-15 December 2020 virtually via Zoom.

WHY ATTEND?

Group-based (including organized crime, hate crime, and gang violence) and honour-based violence are two forms of violence that have taken center stage in the media in recent years due to tragic events and our understanding of these problems is limited. During this workshop you will learn about the nature of group-based and honour-based violence, general principles of violence risk assessment and management, and how to administer the Multi-Level Guidelines (MLG) and the PATRIARCH. Participants will be given an opportunity build their skills in this area through practice cases.

WHO SHOULD ATTEND?

This workshop is designed for professionals whose work involves risk assessment and management, including those working in criminal justice, security, victim services, forensic mental health, civil mental health, general health care, social services, human resources, occupational health and safety, and legal services.

WORKSHOP INSTRUCTORS

Dr. Stephen Hart and **Dr. Randy Kropp** are an internationally recognized experts, prolific authors, and engaging presenters. They have been involved in developing, implementing, and evaluating risk assessment procedures around the world. They are passionate about providing evidence-based understanding, knowledge, and skills in assessing and managing risk for violence that professionals can apply in practice.
