

## HOW TO ASSESS AND MANAGE CYBERVIOLENCE

Protect International is pleased to present a workshop on How to Assess and Manage Cyberviolence on 6 December 2022 via Zoom!

### WHY ATTEND?

Controversy, confusion, and complexity surround the assessment and management of violence perpetrated via electronic means. This workshop will cover 1) the definition, nature, and prevalence of cyberviolence, 2) the assessment and management of cyberviolence, and 3) challenging issues and promising practices in this area with the use of case illustrations.

### WHO SHOULD ATTEND?

This workshop is designed for professionals whose work involves risk assessment and management, including those working in criminal justice, security, victim services, forensic mental health, civil mental health, general health care, social services, human resources, occupational health and safety, and legal services.

### WORKSHOP INSTRUCTOR

**Dr. Stephen Hart** is an internationally recognized expert, prolific author, and engaging presenter. He has been involved in developing, implementing, and evaluating risk assessment procedures around the world. He is passionate about providing evidence-based understanding, knowledge, and skills in assessing and managing risk for violence that professionals can apply in practice.
