

# USING THE HCR-20 V3 TO ASSESS AND MANAGE VIOLENCE RISK VIOLENCE: FUNDAMENTAL WORKSHOP

Protect International is pleased to present an HCR-20 V3 Workshop on  
5, 6, 7, and 8 July 2022 New Zealand Time via Zoom!

## WHY ATTEND?

The Historical-Clinical-Risk-Management-20 Version 3 (HCR-20) has become the world's most widely used and best validated violence risk assessment instrument, and has been translated into 20 languages and implemented in 35 countries. During this workshop you will learn about the nature of general violence, general principles of violence risk assessment and management, and how to administer the HCR-20 V3. Participants will be given an opportunity build their skills in this area through practice cases.

## WHO SHOULD ATTEND?

This workshop is designed for professionals whose work involves risk assessment and management, including those working in criminal justice, security, victim services, forensic mental health, civil mental health, general health care, social services, human resources, occupational health and safety, and legal services.

## WORKSHOP INSTRUCTOR

The instructor, **Dr. Stephen Hart, Kelly Watt and Brianne Layden** are internationally recognized experts, prolific authors, and engaging presenters. They have been involved in developing, implementing, and evaluating risk assessment procedures around the world. They are passionate about providing evidence-based understanding, knowledge, and skills in assessing and managing risk for violence that professionals can apply in practice.
