

USING THE PCL-R AND PCL:SV TO ASSESS PSYCHOPATHIC PERSONALITY DISORDER: FUNDAMENTAL WORKSHOP

Protect International is pleased to present a PCL-R and PCL:SV Workshop on 21, 22, 23, 24 February 2023 New Zealand Time via Zoom!

WHY ATTEND?

Psychopathic personality disorder is a very important risk factor for violence and is highly relevant for risk management. The Psychopathy Checklist-Revised (PCL-R) and Screening Version of the PCL-R (PCL:SV) provide a standard methodology for assessing this important risk factor. They are the best-validated and most widely used measures of psychopathy in the world. During the workshop, participants will learn about features of psychopathic personality disorder and practical skills in the use of the PCL-R and the PCL:SV. Participants will be given an opportunity build their skills in this area through practice cases.

WHO SHOULD ATTEND?

This workshop is designed for professionals whose work involves risk assessment and management, including those working in criminal justice, security, victim services, forensic mental health, civil mental health, general health care, social services, human resources, occupational health and safety, and legal services.

WORKSHOP INSTRUCTOR

The instructor, **Dr. Stephen Hart**, is an internationally recognized expert, prolific author, and engaging presenter. He has been involved in developing, implementing, and evaluating risk assessment procedures around the world. He is passionate about providing evidence-based understanding, knowledge, and skills in assessing and managing risk for violence that professionals can apply in practice.
