

ASSESSING AND MANAGING RISK FOR VIOLENCE USING THE HCR-20 V3

Protect International is pleased to present an HCR-20 V3 Workshop across four 3-hour sessions on 14, 15, 16, 17 August 2023 virtually via Zoom.

WHY ATTEND?

The Historical-Clinical-Risk-Management-20 Version 3 (HCR-20) has become the world's most widely used and best validated violence risk assessment instrument, and has been translated into 20 languages and implemented in 35 countries. During this workshop you will learn about the nature of general violence, general principles of violence risk assessment and management, and how to administer the HCR-20 V3. Participants will be given an opportunity build their skills in this area through practice cases.

WHO SHOULD ATTEND?

This workshop is designed for professionals whose work involves risk assessment and management, including those working in criminal justice, security, victim services, forensic mental health, civil mental health, general health care, social services, human resources, occupational health and safety, and legal services.

WORKSHOP INSTRUCTOR

The instructor, **Dr. Stephen Hart** is internationally recognized expert, prolific author, and engaging presenter. He has been involved in developing, implementing, and evaluating risk assessment procedures around the world. He is passionate about providing evidence-based understanding, knowledge, and skills in assessing and managing risk for violence that professionals can apply in practice.
