

ASSESSING AND MANAGING RISK FOR SEXUAL VIOLENCE: USING THE RSVP-V2 AND SVR-20 V2

Protect International is pleased to present this workshop on 28-29 March 2023 in Hong Kong (HKT), Kuala Lumpur (MYT), Perth (AWST), and Singapore (SGT) via Zoom!

WHY ATTEND?

Sexual violence is a prevalent and serious problem worldwide and greater efforts are needed to prevent and respond to it. During this workshop you will learn about the nature of sexual violence, general principles of violence risk assessment and management, and how to administer the most recent versions of the Risk for Sexual Violence Protocol (RSVP-V2) and the Sexual Violence Risk-20 (SVR-20 V2). Participants will be given an opportunity to build their skills doing both comprehensive and brief sexual violence risk assessment and management through a practice case.

WHO SHOULD ATTEND?

This workshop is designed for professionals whose work involves risk assessment and management, including those working in criminal justice, security, victim services, forensic mental health, civil mental health, general health care, social services, human resources, occupational health and safety, and legal services.

WORKSHOP INSTRUCTOR

The instructor, **Dr. Stephen D. Hart** is an internationally recognized expert, prolific author, and engaging presenter. They have been involved in developing, implementing, and evaluating risk assessment procedures around the world. He is passionate about providing evidence-based understanding, knowledge, and skills in assessing and managing risk for sexual violence that professionals can apply in practice.
