RSVP-V2 AND SARA-V3 WORKSHOP

Protect International is pleased to present a 3-Day RSVP-V2 and SARA-V3 Workshop. You have the option of attending only the RSVP-V2 Workshop, only the SARA-V3 Workshop, or both Workshops. The workshop is taking place between 14 – 16 June 2023 in person, in Christchurch, New Zealand.

Protect International is pleased to present a 3-Day RSVP-V2 and SARA-V3 Workshop. The workshop is taking place between 14 – 16 June 2023 in person, in Christchurch, New Zealand.

This workshop will provide an opportunity to learn new skills and build on existing skills in assessing and managing risk for sexual and intimate partner violence. Not only will you learn about general violence risk assessment and management principles focusing on the most common forms of violence, including both sexual and intimate partner violence, but also about best practices supported by researchers and practitioners around the world. Successful completion will be recognized with a certificate.

During this workshop you will learn how to administer the most recent versions of the Risk for Sexual Violence Protocol (RSVP-V2) and the Spousal Assault Risk Assessment Guide, Version 3 (SARA-V3).

Thousands of professionals from hundreds of settings across the world have taken part in our workshops to date and the procedures developed by our Threat Assessment Specialists are among the most widely used in the field. Our Violence Risk Assessment and Management Workshops are the only ones in this field that have been subjected to systematic empirical research and evaluations indicate that the vast majority of participants recommend our workshops.

WHY ATTEND?

DEVELOP YOUR SKILLS

Build your expertise when making decisions about cases that involve sexual and intimate partner violence risk and develop your skills when communicating about these cases.

IMPLEMENT BEST PRACTICES

Learn about best practices in assessing and managing sexual and intimate partner violence to help you prevent future harm and protect yourself from liability.

NETWORK WITH OTHERS

Strengthen your relationships with other professionals with a shared interest in and responsibility for sexual and intimate partner violence risk assessment and management.

WHO SHOULD ATTEND?

This workshop is designed for professionals whose work involves risk assessment and management, including those working in criminal justice, security, victim services, forensic mental health, civil mental health, general health care, social services, human resources, occupational health and safety, and legal services.

WHO WILL BE PRESENTING?

Dr. Brianne Layden is an internationally recognized expert, prolific author, and engaging presenter. She has been involved in developing, implementing, and evaluating risk assessment procedures around the world. She is passionate about providing evidence-based understanding, knowledge, and skills in assessing and managing risk for violence that professionals can apply in practice.
