

VIOLENCE RISK TRIAGE (VRT) WORKSHOP

Protect International is pleased to present the newly released version of the Violence Risk Triage on 12 September 2023 via Zoom!

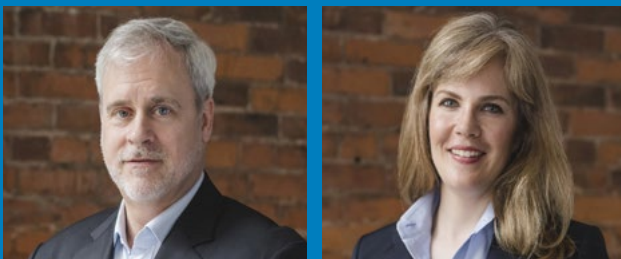

WHY ATTEND?

This Violence Risk Triage (VRT) is a newly released tool designed to help professionals to determine when they have reason to be concerned about violence towards others, how to prioritize cases, and what immediate actions to implement. The Violence Risk Triage has been under development for more than a decade and is based on extensive research, feedback from experts, and consideration of the law.

WHO SHOULD ATTEND?

This workshop is designed for professionals whose work involves violence risk assessment and management, including those working in law enforcement, higher education, workplace, and health sectors.

WORKSHOP INSTRUCTORS

Drs. Stephen Hart and **Kelly Watt** are internationally recognized experts, prolific authors, and engaging presenters. They have been involved in developing, implementing, and evaluating risk assessment procedures around the world. They are passionate about providing evidence-based understanding, knowledge, and skills in assessing and managing risk for violence that professionals can apply in practice.
