

VICTIM SAFETY PLANNING USING THE AID TO SAFETY ASSESSMENT AND PLANNING GUIDELINE (ASAP)

Protect International is pleased to present a 1-Day Victim Safety Planning Using the ASAP. The workshop is taking place on 17 January 2024 virtually via Zoom.

WHY ATTEND?

Victim safety planning is a critical management strategy for all violence risk assessments but it is often not given the attention it deserves or requires. During the workshop you will learn about best practices and challenging issues related to safety assessment and planning and how to administer the Aid to Safety Assessment and Planning Guideline (ASAP), an SPJ for victim safety planning.

WHO SHOULD ATTEND?

This workshop is designed for professionals whose work involves violence risk assessment and victim safety planning, including those working in criminal justice, security, victim services, forensic mental health, civil mental health, general health care, social services, human resources, occupational health and safety, and legal services.

WORKSHOP INSTRUCTOR

Dr. Kelly Watt is an internationally recognized expert, a prolific author, and an engaging presenter. She has been involved in developing, implementing, and evaluating risk assessment procedures around the world. She is passionate about providing evidence-based understanding, knowledge, and skills in victim safety planning that professionals can apply in practice.

WORKSHOP OVERVIEW

JANUARY 17

- Discuss best practices and challenging issues related to safety planning
- Learn about special issues related to safety planning (e.g., lethality assessment and fear management)
- Administration of the Aid to Safety Assessment and Planning Guideline (ASAP)
