# Assessing and Managing Risk for Group-Based Violence Using the MLG-V2

# Workshop

# Workshop Overview

Protect International is pleased to present an Assessing and Managing Risk for Group-Based Violence Using the MLG-V2 Workshop.

Group-based violence (including organized crime, hate crime, and gang violence) is a prevalent and a serious international problem and it is critical that professionals engage in best practices to prevent future incidents and tragedies. During this workshop you will learn about the nature of group-based violence, general principles of group-based violence risk assessment and management, and how to administer the most recent version of the Multi-Level Guidelines, Version 2 (MLG-V2).

## Our Instructor

Dr. Stephen Hart is an internationally recognized expert, prolific author, and engaging presenter. He has been involved in developing, implementing, and evaluating risk assessment procedures around the world. He is passionate about providing evidence-based understanding, knowledge, and skills in assessing and managing risk for group-based violence that professionals can apply in practice.
