Assessing and Managing Sexual Violence Risk Using the RSVP-V2

Workshop

Workshop Overview

Protect International is pleased to present an Assessing and Managing Sexual Violence Risk Using the RSVP-V2 Workshop.

Sexual violence is a prevalent and a serious international problem and it is critical that professionals engage in best practices to prevent future incidents and tragedies. During this workshop you will learn about the nature of sexual violence, general principles of sexual violence risk assessment and management, and how to administer the most recent version of the Risk for Sexual Violence Protocol, Version 2 (RSVP-V2).

Our Instructor

Dr. Kelly Watt is an internationally recognized expert, a prolific author, and an engaging presenter. She has been involved in developing, implementing, and evaluating risk assessment procedures around the world. She is passionate about providing evidence-based understanding, knowledge, and skills in victim safety planning that professionals can apply in practice.

April 15

General Principles

- Structured professional judgment approach to sexual violence risk assessment and management
- Administration of the *Risk for Sexual Violence Protocol*
